

Pinag-aaralan namin ang tungkol sa kanser sa baga sa mga Asyanong kababaihan na hindi kailanman nanigarilyo.

Tulongan kaming malaman kung bakit ito nangyayari:

57% ng mga babeng Asian American na na-diagnose ng kanser sa baga ay hindi kailanman nanigarilyo

Habang 16% ng lahat ng babaeng na-diagnose na may kanser sa baga ay hindi kailanman nanigarilyo

Sino ang maaaring sumali?

Mga babeng Asyano (kabilang ang may halong ibang lahi) na naninirahan sa Greater Bay Area, Southern California, o Sacramento na hindi kailanman nanigarilyo

Naghahanap kami ng dalawang grupo

- Mga babeng kamakailang na-diagnose (sa loob ng nakalipas na 18 buwan) na may kanser sa baga, may edad na 21-90
- Mga babaeng hindi kailanman na-diagnose ng kahit na anong klase ng kanser, may edad na 21-90

Ano ang kakailanganin?

- Pagkumpleto ng 45 na minutong survey online, sa telepono, o sa koreo/mail (\$25 gift card)
- Pagbibigay ng sample ng laway (\$25 gift card)
- Pagbibigay ng permiso na ma-access ang tisyu sa baga na nakolekta sa panahon ng operasyon o biopsy (\$25 gift card, para lamang sa mga pasyenteng may kanser sa baga)

Boluntaryo ang pagsali, at ang iyong impormasyon ay pananatiliing kumpidensyal.

The Female Asian Never Smoker Study

UCSF

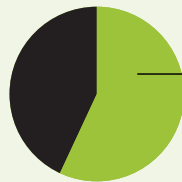

UCDAVIS

Stanford

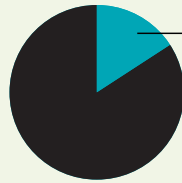

We are studying lung cancer in Asian females who have never smoked.

Help us find out why this is happening:

57% of Asian American females diagnosed with lung cancer have never smoked.

While 16% of all females diagnosed with lung cancer have never smoked.

Who can join?

Asian females living in the Greater Bay Area, Southern California, or Sacramento County who have never smoked

We are looking for two groups:

- Females **recently diagnosed** (within the past 18 months) with lung cancer, ages 21-90
- Females **never diagnosed** with any type of cancer, ages 21-90

What is involved?

- **Completing 45-minute survey** online, by phone, or by mail (\$25 gift card)
- **Providing a saliva sample** (\$25 gift card)
- **Permission to access lung tissue** that was removed during surgery or biopsy (\$25 gift card, for lung cancer patients only)

Joining is voluntary, and your information will be kept confidential.
